Marking the entire submittal as "confidential" or "proprietary" is not acceptable and is grounds to reject such submittal. In addition, the required electronic copy shall have any perceived confidential materials segregated into a separate electronic file, as the main RFP response may be automatically released upon contract signing without notification.

If a request is made for disclosure of such identified documents or portions thereof, the County will determine whether the material is exempt from public disclosure. If, in the County opinion, the material is subject to disclosure, the County will notify Proposer of the request and impending release and allow the Proposer 10 days to take whatever action it deems necessary to protect its interests. All expense of such action shall be borne solely by the Proposer, including any damages, attorney's fees or costs awarded by reason of having opposed disclosure and Proposer shall indemnify County against same. If the Proposer fails or neglects to take such action within said period, the County will release all materials deemed subject to disclosure. Submission of materials in response to this solicitation shall constitute assent by the Proposer to the foregoing procedure and the Proposer shall have no claim against the County on account of actions taken pursuant to such procedure.

K. PUBLIC DISCLOSURE

It is the intention of the County to maintain an open and public process in the solicitation, submission, review, and approval of procurement activities.

RFP's will not be disclosed prior to release to potential respondents. With the exception of lists of prospective Vendors, Yakima County will not disclose RFP records until execution of the contract(s). At that time, all information about the competitive procurement will be available with the exception of: Proprietary/confidential portion(s) of the successful proposal(s), until the Vendor has an adequate opportunity to seek a court order preventing disclosure. Yakima County will consider a Vendor's request for exemption from disclosure; however, Yakima County will make a decision predicated upon RCW 42.56.

18. Warranties

Vendor warrants that all goods and services furnished under this order are new, conform strictly to the specifications herein, are merchantable, good workmanship, free from defect, are fit for the intended purpose of which such goods and services are ordinarily employed and if a particular purpose is stated in a Special Condition, the goods are then warranted as for that particular purpose. Vendor further warrants that no violation of any federal, state or local law, statute, rule, regulation, ordinance or order will result from the manufacturer, production, sale, shipment, installation or use of any other goods. Vendor's warranties (and any more favorable warranties, service policies, or similar undertaking of Vendor) shall survive delivery, inspection, and acceptance of the goods or services.

19. Re-Award

When the contract is terminated by the vendor upon 30 days notice as herein provided, the County may re-award the contract to the next most responsible bidder.

When a vendor is unable to supply goods and/or services to the County and is in breach of the contract, or when the contract is terminated by the County for cause as herein provided, the County reserves the right to re-award the contract to the next most responsible bidder.

20. Errors and Omissions

The County reserves the right to correct obvious ambiguities and errors in the Bidder's proposal and to waive non-material irregularities and/or omissions. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

21. Late Receipt of Bid/Quote Documents

Bids and/or quotations and modifications received after the exact hour and date specified for receipt of bids and/or quotations will not be considered (i.e. if bid was due by 2:00 PM, any bids received after 2:00:00 PM will be rejected).

22. Licenses

If applicable, successful vendor shall have a valid and current business license per Chapter 5.02 Section 5.02.010 of the Yakima Municipal Code covering this type of business and shall satisfy all applicable City Code provisions. Said license shall be obtained prior to the award of any contract. Inquiries as to fees, etc., should be made to the Office of Code Administration, telephone (509) 575-6121.

In addition, Contractors are required to be registered by the State per Chapter 18.27 of the Revised Code of Washington and their registration number must be listed on the bid/quote.

23. Delivery of Unapproved Substitutions

Vendors are authorized to ship only those items ordered covered by the contract. If a review of orders placed by the County reveals that an item other than those covered by and specified in the contract have been ordered and delivered, the Purchasing Manager will take such steps as are necessary to have the item(s) returned to the contractor at no cost to the County regardless of the time lapsed between the date of delivery and discovery of the violation. Violation of this clause may result in the removal of the offending vendor's name from the County mailing list for a period of up to three (3) years.

24. "No Bids"

Vendors who are unable to or do not wish to submit a bid and are encouraged to respond by notating their bid "NO BID" on page one of the "BID CALL" and mailing it to the City of Yakima Clerk's Office, 129 North 2nd Street, Yakima, Washington, 98901, with the Bid/Quote due date and time written on the face of the envelope. It is the County's practice that if no response to a bid is received by a vendor after two consecutive mailings, the vendor will be deleted from our vendor's mailing list for that type of commodity item.

25. Non-Collusion

The Bidder represents, by the submission of their Proposal, that the prices in this bid/quote are neither directly nor indirectly the result of any formal or informal agreement with another bidder.

26. Evaluation of Bid/Quote

In the evaluation of otherwise responsible bids/quotes, the Bidder's experience, delivery time and responsibility in performing other contracts will be considered. In addition to price, the following may be considered:

I. The ability, capacity and skill of the bidder to perform the contract and provide the services required.

- II. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.
- III. The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- IV. The quality of performance of previous contracts or service.
- V. The previous and existing compliance by the bidder with laws and ordinances relating to contracts or services.
- VI. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service.
- VII. The quality, availability, and adaptability of the supplies or contractual services to the particular use required.
- VIII. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.

27. Taxes

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The County is exempt from Federal Excise Tax. Where applicable, the County shall furnish a Federal Excise Tax Exemption certificate.

28. Non-Discrimination

During the performance of this contract, the contractor agrees as follows:

- A. The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, religion, age, marital status, disability, sex, sexual orientation or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this non-discrimination clause.
- B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, age, marital status, disability, sex, or national origin.
- C. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, advising the labor union or workers' representative of the contractor's commitment to non-discrimination, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- D. The contractor will furnish all information and reports required by Yakima County and will provide on request evidence to substantiate compliance with non-discrimination clauses of this contract.
- E. In the event of the contractor's noncompliance with the non-discrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for any future Yakima County contracts.

29. Termination - Convenience

This contract may be terminated by either party by giving thirty (30) days written notice of such intent and will become effective thirty (30) days from the date such written notice is delivered to the applicable party to the contract.

30. Termination - Cause

The County reserves the right to terminate this contract at any time, upon written notice, in the event that the services of the Contractor are deemed by the County to be unsatisfactory, or upon failure to perform any of the terms and conditions contained in this agreement. In addition to the foregoing right of termination, the County may terminate this contract, with or without cause, upon thirty (30) days written notice to Contractor.

31. Delay of an Award

If, after bid/quote opening, administration problems threaten to delay award beyond the bidder's acceptance period, bidders shall be requested to extend the bid/quote acceptance period. This request must be made and confirmed in writing prior to the expiration date of their bids/quotes (with consent of sureties, if any) to avoid the need to re-advertise.

32. Venue

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of the Agreement, the venue of such action of litigation shall be in the Courts of the State of Washington in and for Yakima County. This Agreement shall be governed by the laws of the State of Washington.

33. Defense and Indemnity Agreement

The vendor agrees to defend, indemnify and save harmless Yakima County, its appointed and elective officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account to damage to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Vendor, his/her subcontractors, its successor or assigns, or its or their agent, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County, its appointed or elected officials or employees. It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein.

34. Permits

The vendor shall procure and pay for all permits and licenses necessary for the completion of the Contract, including those permits required by Yakima County. In the event a necessary permit is not obtained, the Vendor will not be permitted to work on items subject to said permit and any delays caused thereby will not be subject to extra compensation or extension.

35. Severability

If any term or condition of this contract or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition or application. To this end, the terms and conditions of this contract are declared severable.

36. Waiver

Waiver of any breach or condition of this contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this contract shall be held to be waived, modified or deleted except by an instrument, in writing, signed by the parties hereto.

37. Entire Agreement

This written contract represents the entire Agreement between the parties and supersedes any prior oral statements, discussions or understanding between the parties.

38. Protest Procedure

Any protest must be made in writing, signed by the protestor, and state that the vendor is submitting a formal protest. The protest shall be filed with the Yakima City/County Purchasing Manager at 129 No. 2nd St., Yakima, WA 98901, faxed to 509-576-6394 or emailed to sownby@ci.yakima.wa.us. The protest shall clearly state the specific factual and legal ground(s) for the protest, and a description of the relief or corrective action being requested. **Protests before award** shall be filed five (5) days before the solicitation due date, and **protests after the award** shall be filed five (5) days after Award Announcement (see below for details). The following steps shall be taken in an attempt to resolve the protest with the vendor:

Step I Purchasing Manager and Department Head of solicitation try resolving matter with protester. All available facts will be considered and the City/County Purchasing Manager shall issue a decision. This decision shall be delivered in writing to the protesting vendor.

Step II If still unresolved, within three (3) business days after receipt, the protest may be appealed to the Board of Yakima County Commissioners. The Board of County Commissioners shall make a determination in writing to the vendor.

Grounds for Protest

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, conflict of interest;
- Solicitation unduly constrains competition or contains inadequate or improper criteria;
- Errors in computing score;
- Non-compliance with procedures described in the solicitation or County Policy.

Protest Determination

Each review and determination of the protest shall issue a decision that either:

- Finds the protest lacking in merit and upholds the award; or
- Finds only technical or harmless errors in the acquisition process and determines the County to be in substantial compliance and therefore reject the protest; or
- Finds merit in the protest and provides options for correction, including, but not limited to, correcting the errors and re-evaluating the bids, reissuing the bid to begin a new process, or entering in to a contract that remedies the protest finding; or
- Makes other findings and determines other courses of action as appropriate.

Timeframe

Only protests and complaints received within the required timeframe for protest action are accepted for consideration.

Award Announcement

Purchasing shall announce the successful bidder via City/County Purchasing Website, e-mail, fax, regular mail, or by any other appropriate means. Once the announcement is released by Purchasing, the protest time frame begins. The timeframe is not based upon when the vendor received the information, but rather when the announcement is issued by Purchasing. Though every effort will be made by Purchasing to distribute the announcement to the interested vendors, Purchasing is not responsible to assure that vendors receive the announcement. It is the responsibility of the vendors to obtain the announcement from Purchasing.

Award Regardless of Protest

When a written protest against making an award is received, the award shall not be made until the matter is resolved, unless the County determines that one of the following applies:

- The supplies or services to be contracted for are urgently required;
- Delivery or performance will be unduly delayed by failure to make award promptly;
- A prompt award will otherwise be advantageous to the County.

If the award is made, the file must be documented to explain the basis for the award. Written notice of the decision to proceed shall be sent to the protestor and others who may be concerned.

The County retains the right to enter into any contract and nothing herein shall be construed to limit that authority in any manner.

39. Qualified Bids

The General Terms and Conditions and Supplemental Terms and Conditions included in this bid document will govern the performance of the work. No other terms and conditions will be accepted. Bids that are conditioned in any way, or Bids that take exception in any way to the City of Yakima's General and Supplemental Terms and Conditions, may result in the Bid being considered non-responsive.

40. Proprietary Material Submitted Any information contained in the bid/RFP submitted that is proprietary must be clearly designated. Marking the entire bid as proprietary will be neither accepted nor honored. If a request is made to view a vendor's bid, the City of Yakima will comply according to the Open Public Records Act, Chapter 42.17 RCW. If any information is marked as proprietary in the proposal, such information will not be made available until the affected vendor has been given an opportunity to seek a court injunction against the requested disclosure.

AGREEMENT
YAKIMA COUNTY
RFP C11406-P

THIS AGREEMENT is entered into between YAKIMA COUNTY, Washington, herein referred to as the "County" whose address is 128 N 2nd Street, Yakima, Washington, 98903 and _____, who will be the primary contractor and whose address is _____ hereinafter referred to as the "Contractor".

WITNESSETH:

In consideration of the terms and conditions contained herein and the attached documents which are made a part of this contract by this reference, the parties hereto agree as follows:

1. The Contractor shall do all work and furnish all tools, materials, and equipment necessary for providing the products and performing the service in accordance with and as described in the attached RFP document C11406-P, which are by this reference incorporated herein and made a part hereof.
2. The County agrees to pay for the service as set forth in the RFP documents at the time and in the manner and upon the conditions provided.
3. This Agreement, the Request for Proposals, Scope of Work, conditions, addenda and modifications and the Contractor's proposal, including the Software License Agreement (to the extent consistent with Yakima County's documents) constitute the Contract Documents and are complementary. In the case of inconsistencies or disputes amongst these documents, the County's terms and conditions will control in all instances.

No change or addition to this Agreement shall be valid or binding upon either party unless such change or addition is in writing and executed by both parties. Specific federal and State laws and the terms of this Agreement, in that order respectively, supersede other inconsistent provisions. These Contract Documents are on file in the Office of the Purchasing Manager, 129 No. 2nd St., Yakima, Washington, 98901, and are hereby incorporated by reference into this Agreement.

4. If any term or condition of this Agreement or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition or application. To this end, the terms and conditions of this contract are declared severable.

5. The Parties agree that the Contractor is an independent contractor and not an agent or employee of the County. Agents, employees, servants, or representatives of the Contractor shall not be deemed to be employees, agents, servants, or representatives of the County for any purpose. Employees of the Contractor are not entitled to any benefits the County provides for County employees.

6. The Contractor agrees that it shall not discriminate against any person on the grounds of race, creed, color, religion, national origin, sex, age, marital status, pregnancy, veteran status, sexual orientation, political affiliation or belief, or the presence of any sensory, mental or physical handicap in violation of the Washington State Law Against Discrimination (RCW chapter 49.60) or the Americans with Disabilities Act (42 USC 12101 et seq.). In the event the Contractor violates this provision, the County

may terminate this Agreement immediately and bar the Contractor from performing services for the County in the future.

7. The awarded Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of any award or of any of its rights, title, or interests therein, without the prior written consent of Yakima County.

8. Either party may terminate this contract upon (30) thirty days written notice in accordance with the terms of the RFP. If the Contractor fails to comply with the terms and conditions of this Agreement, the County may pursue such remedies as are legally available, including, but not limited to, the immediate termination of this Agreement.

9. The Contractor shall indemnify and hold harmless the County, its agents, employees, authorized volunteers; elected and appointed officials, from all liability, loss of damage, including costs of defense they may suffer as a result of claims, demands, actions, damages, costs or judgments which result from the activities to be performed by the Contractor, its agents, employees, or subcontractors pursuant to this Agreement. The contractor's insurance is primary and noncontributory to the insurance held by the County.

Except for liability that is solely the fault of Yakima County, its officials, officers, employees, agents, and assigns (each of the foregoing hereafter referred to individually as the "Indemnified Party"), Contractor agrees to defend, indemnify and hold harmless the Indemnified Party from and against any and all third party claims, actions, losses, liabilities, judgments, awards and costs (including attorney fees and legal expenses) arising out of or in connection with the negligence of the Contractor in the performance of this agreement including, without limitation, the infringement or violation of any third party's trade secrets, proprietary information, trademark, copyright, patent right or other proprietary right. Contractor shall defend and settle at its sole expense all suits or proceedings arising out of the foregoing, provided that Yakima County gives the Contractor prompt notice of any such claim of which it learns. No settlement that prevents Yakima County from continuing to use the software product(s), other products or software documentation as provided in this agreement shall be made without Yakima County's prior written consent. In all events, Yakima County shall have the right to participate at its own expense in the defense of any such suit or proceeding through counsel of its own choosing.

This indemnification is limited to the software products, other products and software documentation delivered to Yakima County or as modified by the Contractor and does not cover third party claims arising from modifications not authorized by the Contractor. This indemnification shall also survive the expiration or termination of this agreement.

10. Contractor's Waiver of Employer's Immunity under Title 51 RCW. Contractor intends that its indemnification, defense, and hold harmless obligations set forth above in section A. shall operate with full effect regardless of any provision to the contrary in Title 51 RCW, Washington's Industrial Insurance Act. Accordingly, to the extent necessary to fully satisfy the Contractor's indemnification, defense, and hold harmless obligations set forth above in section A, Contractor specifically waives any immunity granted under Title 51 RCW, and specifically assumes all potential liability for actions brought by employees of the Contractor against the City/County and its officers, employees, agents, and volunteers. The parties have mutually negotiated this waiver. Contractor shall similarly require that its subcontractors, and anyone directly or indirectly employed or hired by Contractor, and anyone for whose acts Contractor may be liable in connection with its performance of this Agreement to comply with

the terms of this paragraph, waive any immunity granted under Title 51 RCW, and assume all potential liability for actions brought their respective employees. The provisions of this section shall survive the expiration or termination of this Agreement.

11. The Contractor shall provide to the County proof of insurance in the amounts and terms required under the RFP specifications.

12. This Agreement has been and shall be construed as having been made and delivered within the State of Washington and it is understood and agreed that this Agreement shall be governed by laws of the State of Washington both as to interpretation and performance.

Any action at law, suit in equity, or other judicial proceeding from the enforcement or breach of this Agreement or any provision hereof, shall be instituted and maintained only in any of the courts of competent jurisdiction in Yakima County, Yakima, Washington

13. Any claim for damages incurred by either party resulting from breach of this agreement by the other party shall survive termination. The remedies provided herein shall not be deemed exclusive but shall be cumulative and shall be in addition to all other remedies provided by law and equity. No delay or omission in the exercise of any remedy herein provided or otherwise available to Contractor shall impair or affect its right to exercise the same.

14. Subject to the indemnification and limitation of the Contractor's liability provisions set forth in this agreement; if any action or suit is brought with respect to a matter or matters covered by this agreement, each party shall be responsible for its own costs and expenses incident to such proceedings, including reasonable attorneys' fees.

15. The period of this contract shall be for a period of one year from its effective date. The County may, at its option, extend the contract on a year to year basis for up to four additional years provided, however, that either party may at any time during the life of this contract, or any extension thereof, terminate this contract by giving thirty (30) days notice in writing to the other party of its intention to cancel. Contract extensions shall be automatic, and shall go into effect without written confirmation, unless the County provides advance notice of the intention to not renew. Prices shall remain firm for the first twelve month period of the contract unless an exception is stated in the proposal. The County may, at its option, extend the contract on an annual basis, subject to a successful price agreement, if it is in the best interest of the County.
